

SAFER

Staying Safe online

INTERNET DAY

Event Information

Bradford District Credit Union, in partnership with Bradford and Kirklees Councils, West Yorkshire Police, and the NHS, is hosting this year's Safer Internet Day webinar.

Together, we'll tackle AI challenges, fake news, and online scams to help communities stay safe online.

Featuring expert speakers, practical advice, and a live Q&A, this webinar is perfect for community practitioners, parents, professionals, and digital citizens alike.

SAFER INTERNET DAY!

Ian Brewer

Bradford District
Credit Union

*Safe Digital Community
Banking*

Ian is EDI Community Development Lead at the BDCU and comes from an international community development background with the YMCA and British Council coupled with experience in banking at HSBC. Ian leads on partnership community development projects to tackle poverty that have attracted national media attention and contributed to extensive member growth. Ian also manages employer engagement with its 34 payroll partner companies and provides 'Train-The-Trainer' financial workshops.

SAFER INTERNET DAY!

Rosie Dickinson

Audit Yorkshire

Avoiding NHS Scams

Rosie is a Local Counter Fraud Specialist working for several NHS organisations.

This session will look at how you can keep yourself safe from NHS-themed scams such as dodgy text messages, social media posts, and emails which impersonate the NHS.

SAFER INTERNET DAY!

Lauren May

Kirklees Council

*Building Digital
Confidence in Kirklees*

Lauren is the Digital Inclusion Officer for Kirklees Council.

During this session she will highlight Kirklees Council's digital offer and the work they are doing to ensure nobody is digitally left behind.

SAFER INTERNET DAY!

Kirsty Ingleson

Kirklees College

*The Good, the bad
and the ugly 'ai'*

Join me for a session that covers the Artificial intelligence that has been in our lives for some time and to explore the more recent capabilities. The session will also consider how you could use AI to support you in your day to day life, and some of things we should be cautious of.

SAFER INTERNET DAY!

Sharon Sanders

Bradford Council

Digital Inclusion
Support for all

Sharon leads the Digital Inclusion Programme for the Bradford District
